Luxury Collection / Oak - Walnut

DATASHEET

French Oak Woods

Formats from 3.5" up to 17.5" width and random lengths from 5' up to 15' long. "True balance technology" (3 layers) to give much more stability. You can pick from four different grades according to the amount of knots and color variation you like. Customize your color.

GRATO prides itself on the long lasting relationships their team has nurtured within the wood industry. It's for this reason, for their meticulous attention to detail, and for their philosophy of hand picking its woods, that they are able to provide the finest gradeings and XXL sizes of wood planks.

Tech specs

True Balance technology

(3 layer wood)

This line is the first one to count with a new technology called "True Balance", which has an extra bottom layer of hardwood to give it much more stability and resistance against humid conditions.

Certifications:

Customize your own floor based on your needs.
